As a result, at least one of the aforementioned individuals (or a City-appointed designee) must be in attendance when Board action is taken (public meetings). A majority of the Board may approve or disapprove loan applications, determine interest rates on loans as well as loan terms, and request the City Finance Director, in writing, to make disbursements. City employees administering these funds will adhere to the CDBG Procurement Policies and Procedures as well as the formalized CDBG Drawdown Procedure.

LAB Meetings

LAB meetings shall be held on an as-needed basis. Upon receipt of a completed application or as asked by LAB members or other City officials, staff from the Grants Administration Division will schedule a meeting. Pursuant to state law, all meetings are open to the public. All Committee members and the public shall be provided with prior notice of each meeting. The

City's Grants Administration Division is responsible for sending meeting notices to the local newspapers as well as to any persons who have requested such notice. Uncommitted funds from loan payments may be invested in accordance with accepted City practices.

It shall be the duty of the LAB to process all applications. The City Grants Administrator shall provide technical assistance to the Board upon request and/or updates from the U. S. The LAB has the ability to modify loan terms, suspend payments over a period of time, etc. in order to ensure the success of repayment, and to accommodate hardship instances of affected businesses.
